WHY CHOOSE

20/20NOW

WORK FLOW →

Organize schedules across
multiple practices.

View live company metrics and
patient statuses.

Spot bottlenecks with clear,
detailed reporting

**EXPAND DOCTOR COVERAGE
AND INCREASE SALES**

Seamless Satellite Coverage

Ensure consistent eye care across locations with Workflow's real-time doctor-patient connections, enhancing access to eye exams and standard of care.

Effortless Patient Management with Workflow™

Workflow™ acts as the "air traffic control" for practices, seamlessly coordinating exams and reducing resource strain.

Boost Exam Capacity

With Workflow, perform thousands of exams daily without adding in-person staff, freeing up resources while ensuring patient satisfaction.

Improve Doctor Availability

Bridge coverage gaps with Workflow, connecting remote doctors to patients in satellite locations and enhancing your network's efficiency.
